Sub: Split NS Days off & NTFT postings

The parties agree to post two (2) new FTR (5-8 hours days) duty assignments at the Prairiewood station with split non-scheduled days off and two (2) new NTFT (4-10 hour days) duty assignments at the Main Post Office with split non-scheduled days off. The parties further agree that no other duty assignments, including the above mentioned duty assignments when they become vacant, with split non-scheduled days off may be posted unless both parties agree.

The parties agree to post one (1) NTFT (6 day work week) at the Trollwood station with the understanding that once that duty assignment becomes vacant it will be reverted. No other 6 day work week duty assignment will be posted in the future unless both parties agree.
